2016-2017 Accomplishments Thus Far

- Generated multiple initiatives to unify and consolidate national outreach efforts
- Laid groundwork for APAMSA Clinic Consortium
- Expanded on existing initiatives

Anticipated Goals for Remainder of Term

- Continue to solidify nascent partnerships with national-level groups
- Establish initial network of API clinics (with at least 1 clinic per geographic region), complete online web portal, and create first newsletter for APAMSA Clinic Consortium
- Integrate existing APAMSA Health Affairs initiatives onto the APAMSA Clinic Consortium online website to consolidate information and infrastructure

Questions?

**“I have a question about my medication.
Why is the couple in the commercial
sitting outdoors in separate bathtubs?”**
